STATEMENT UNDER 37 C.F.R. § 1.8(b)(3)

Dear Sir/Madam:

I, Kenneth E. Radcliffe, attest, based on personal knowledge, to the following facts concerning the above-identified patent application:

1. On Monday, August 28, 2006, in response to an Office action mailed from the United States Patent and Trademark Office ("USPTO") on July 26, 2006, I timely mailed to the USPTO on behalf of the Applicants a Transmittal Form, a Response to Restriction Requirement, a copy of my Certificate of Limited Recognition Under 37 C.F.R. § 11.9(b), a Certificate of First Class Mailing, and a return receipt postcard (collectively, the "Originally Mailed Documents").

2. The postcard was stamped by the Office of Initial Patent Examination on August 31, 2006, indicating receipt by the USPTO of the Originally Mailed Documents, and was returned to me.

3. On Tuesday, April 17, 2007, I learned that the USPTO's Patent Application Information Retrieval (PAIR) interface did not reflect the USPTO's receipt of the Originally Mailed Documents.

4. On Tuesday, April 17, 2007, I telephoned both the Electronic Business Center ("EBC") and Examiner Melanie J. Yu to inquire whether the USPTO still had a copy of the Originally Mailed Documents. Both the EBC and Examiner Yu informed me that the USPTO no longer had a copy of the Originally Mailed Documents.

5. Accordingly, a copy of the Originally Mailed Documents, including a copy of the stamped return receipt postcard that evidences the USPTO's receipt of the Originally Mailed Documents on August 31, 2006, are enclosed herewith.

The Applicants therefore respectfully request that the USPTO consider the Originally Mailed Documents as timely submitted and that the examination of the above-identified application proceed on the merits.

The Applicants believe that no fee is due in connection with the filing of this paper; however, in the event that any such fee is due, the Commissioner is hereby authorized to charge such fee to Deposit Account No. 07-1700.

Respectfully submitted,

Date: April 20, 2007
